agaSAAT supports KLARTEXT FÜR KINDER e.V. against child poverty

Neukirchen-Vluyn, 04.12.2023

**Valued Customers,
Valued Suppliers,**

Also this year, agaSAAT GmbH will refrain from Christmas gifts, instead we will donate again **EUR 10,000.00** to **KLARTEXT FÜR KINDER e.V.** Volunteers work there for the youngest in our society, who often lack the bare essentials.

KLARTEXT FÜR KINDER e.V. stands for a special model of social partnership in Moers and the surrounding area. Here, socially disadvantaged children and young people are granted with wishes that would otherwise not be possible.

Would you also like to get actively involved against child poverty and better care? Then take a look at the website of www.klartext.fuer-kinder.de

We wish a peaceful Christmas time to you and your families and a good start into the new year! We look forward to our further cooperation in 2024!
